  - 2000 San Diego** – These badges were given to members who attended the 2000 Early Ford V-8 Club Directors Meeting – Change “MAFCA” to “EARLY FORD V-8” and “NATIONAL” to “NATIONAL / DIRECTORS”.
  - 2004 Hood River** – Remove “GRAND” – It was a “NATIONAL” meet.
  - 2007 Joliet** – Change “RECT TOP SHIELD” to “OVAL TOP”.
  - 2007/017 Joliet** – Change “EARLY FORD V-8” to “UNKNOWN” and “GRAND NATIONAL” to “UNKNOWN”. On the 2007/017 badge and other badges with two numbers, the second number is the meet registration number. Conjecture is that badges with just 2007 were probably sold to the non-registered general public as a fund raiser.
  - 2015 Joliet** – Change “EARLY FORD V-8” TO “MARC” and remove “GRAND”.
